

CAPABILITY STATEMENT

At Varstaff, our mission is to establish successful business relationships through our philosophy of incorporating integrity into everything we do. We understand that our core business is service, and providing quality service with a sense of value toward the people we work with is what we do best.

WHO WE ARE

Varstaff is a Veteran, Small Business and Woman-Owned staffing company. We have serviced companies in all verticals including, but not limited to Aerospace, Healthcare, Medical, Financial, IT, Banking, Marketing, Energy, Mortgage, and more. Our team of experts has many years of experience at industry-leading organizations.

WHAT WE OFFER

We specialize in direct hires, temp, temp & contract to perm, as well as project-based assignments within the entire US. We offer payroll services with full benefits for both W2 and 1099 employees. Varstaff and its success combined with significant growth can be attributed to an intense "Client is the Key" focus.
